

Welcome to the Golden Valley, a place as beautiful as its sounds, lying beneath the Black Mountains in Herefordshire where England meets Wales.

It is an area of traditional farms, small patchwork fields and quiet lanes. Walk the well-marked paths and bridleways, see the buzzards by day and hear owls at night. Stay locally and enjoy combining 'olde worldie' charm with modern facilities and thoughtful hospitality. Experience our local produce, pubs and restaurants, and make the most of what's on offer in the beautiful Golden Valley.
